## DELEGATE SHOW

The Committee of the Delegate P and A Society would like to thank exhibitors, sponsors, all those who helped in any way or attended the 112<sup>th</sup> annual show for your support, in what could only be described as a challenging time. The display in the pavilion was a wonderful effort, given the difficult season we have just come through. The flowers were spectacular, the needlework and art sections were bigger than last year and once again the Delegate Public School were extremely supportive with their art, hand-icrafts and cooking exhibits. Just goes to show that tough times can bring out the best in everyone.

This year the Society introduced a new competition – the Monaro Station Hand Challenge. This was well contested in two of the three age categories with the participants being tested on nine skills that a station hand may be required to carry out. It has been enthusiastically endorsed by Australian Wool Innovations and Local Land Services and will be an event to watch out for next year.

Sadly during the past year, the Society lost two of its stalwarts – Mr Rodger Lewis and Mrs Maria Callaway. The families of both these wonderful people gave prizes in their memories to the dog jump for Rodger and the Knitting/Crochet and cooking sections for Maria.

Once again it was pleasing to see the history of the district on display with members of the Bombala Historic Engine and Machinery Society present. Bradley Matthews was also on hand with his bullock team – they are becoming quite an attraction as they headed to the Orbost show the next day.

## Delegate Show (contd from p1)

Competitors in the horse events were able to participate in more events this year as the starting times of the rings were staggered so this could occur. Although the entries were down in this area, no doubt due to the fires in the area over the past months, competitors were very pleased with the condition of the ring. A big thank you must go to Russell Buckman and Ken Neven for this. Next year it is hoped that the new irrigation system will have been installed making this job a lot easier for all concerned.

The show was opened by Mayor Peter Beer of Snowy Monaro Regional Council who touched on the difficult times experienced by many in the area in the past few months and also commented that the district had certainly "punched above its weight" in staging the show. Council was again well represented with Councillor Bob Stewart, an information stand particularly focusing on weeds and other staff members also in attendance.

The billy boiling competition returned this year to the delight of competitors and spectators, as did the dog jump that provided much entertainment prior to the BBQ tea that was followed by live music. With the night culminating in an impressive display of fireworks all present agreed that the show had been a great success.

## METING WITH CROSS BORDER COMMISSIONERS

On Thursday the 5th March, the Delegate Progress Association held their second meeting with the Cross Border Commissioners from NSW and Victoria. Contact was initiated with them some time ago, because of ongoing issues with cross border matters and they came to Delegate in November last year. At this meeting, there were members of the public present and naturally the main topic was the recent bush fires. Minutes were taken and a copy of the matters discussed were given to the Victorian Border Commissioner when he met at Bonang on the 10th March.

Matters Covered were:

- Centralisation of Fire Management causes problems.
- Lack of cohesive plan for evacuation
- More Controlled Burns needed
- Aircraft brought in early for fires which start in isolated areas, and upgrade to numbers of remote area fly in specialist fire crews.
- More co-operation between states where fires cross the border.
- Need for clearing each sides of timbered roads to prevent roads being closed for weeks due to fallen trees.
- Victorian residents who were evacuated had limited time to access allowance
- Victorian Fire App was much better than New South Wales which only showed fires in NSW. An App showing phantom fires caused annoyance.
- Discussions re better school bus services and cross border voting are ongoing.

Detailed reports will be forwarded to local members, both State and Federal.

## JACKAROO TRISTATE JAMBOREE TO BE HELD IN DELEGATE OVER EASTER

The population of Delegate will increase considerably over Easter, when 80 or more 4 wheel drive vehicles will stay at the Delegate Show and Sports Ground. The Show and Sportsground Committee will be catering for their Sunday night dinner. The recent fires has closed some of their planned drives, and caused a drop in the numbers attending, but there should be plenty of interesting drives which were not affected by fires.

It will be a big boost for Delegate's economy, and along with the popular Duck Race at Bill Jeffreys Park, will ensure the town is rocking over Easter.

The Street Planting should have been well and truly finished by then, so the town will have a new look.

## DELEGATE HISTORIC WALK

Nicole Mellon has volunteered to put together a Historic Walk information sheet for Delegate township, and with the help of Doreen Standen is gathering together the past history and owners of Delegate's Historic homes. The Progress Association have already done a lot of this history for the Heritage Listing project carried out by Pip Giovanelli. Information has also been garnered from a CD made by the late Clarice Ingram.

The plan is to erect plaques outside each building which is identified as Heritage listed, showing the history of each site. It will be another attraction to add to our Heritage Weekend in October.

## THE CHANGING FACE OF DELEGATE'S STOCK AND STATION AGENTS.

Any important fixture in any Rural town in Australia is the local Stock and Station Agent and the first building to house this important institution is the "Old Mart" which stands at the Southern end of Bombala Street. Macarthur and Co. were the first proprietors, having opened in Bairnsdale in 1891 and a number of years later in Delegate. Then a change to Dalgety & Co in 1947, Dalgety NZ Loan in 1967, Dalgety Ltd. 1970, Dalgety, Winchcombe Carson 1979, Dalgety Farmers 1983, Wesfarmers Dalgety in 2000, Wesfarmers in 2001 and Landmark from around 2005 to 2019 are now Landmark Nutrien Ag Solutions in 2020.

## **NEWS FROM ST JOSEPHS**

The Catholic Ladies Auxiliary along with parishioners were most appreciative of the generous donation of \$500 from the Delegate Sunday Sips Committee. This money will be used towards the installation of a much-needed access ramp to the School Centre building. Our sincere thanks to the Sunday Sips Committee.

The Ecumenical Christmas Carols in December were a wonderful success again with over 100 in attendance and the children of Delegate and districts playing a major part in the proceedings. Special thanks to Reverends John Kuruvilla & Judy Holdsworth, Sister Teresa Keane and Father Mick MacAndrew. A delicious supper was served afterwards in the School Centre.

Preparations are in hand for the repainting of the exterior of St Joseph's Church. The church was last repainted in 1983. Once completed it will complement that of the School Centre which looks impressive since being repainted in 2017.

Until an assistant priest has been assigned to the Monaro Mission, Father Mick has advised that Mass/Liturgy at Delegate will be 6pm every Saturday night. Mass is also celebrated at the Delegate MPS on the 2nd Wednesday of each month at 10.30am.

# DELEGATE SCHOOL NEWS

## South Coast Regional PSSA Swimming Carnival

Yesterday I had the pleasure of accompanying Lydia, Charlie B, Isabella and Lincoln to Dapto in Wollongong to compete in the South Coast Regional PSSA Swimming Carnival. The quartet swam as the Delegate PS P5 Small Schools Relay Team. The eleven hour round trip was a memorable one as the students represented their school, district and families proud by overcoming the nerves of performing in front of a 2000 strong crowd to finish eights in the region in their event. Thank you to James, Dennielle and Trent for coming along to support the children. Many memories were made on the day and it is so wonderful to see Delegate students having such high aspirations to achieve in all things sport.

## Bombala District PSSA Cross Country

What a fabulous day on Monday for our combined Bombala District PSSA Cross Country event at Delegate Country Club. We thank the Country Club for their ongoing support and for allowing us to use their high class facilities at this annual event. A big thank you to James Preston, Lincoln and Wyatt and Bec Kading and Lily for their help on Sunday afternoon in preparing the course for Monday. A massive thank you to our P&C for their incredible work in running a canteen and BBQ on the day. So many parents there to help was a re-

flection of the effective way you all collaborate and work together for the betterment of our kids.

On to the event itself, and Delegate performed outstandingly. We were overall champions of the carnival and were able to win the event by a whopping 99 points. This is an outstanding result for our small school and the students should be extremely proud of their efforts on the day. Of the eight events on the day, we were winners in four and received another eight top five finishes. Congratulations to:

Lydia – 1<sup>st</sup> 12/13 Years Girls and Senior Girls Champion

Charlie B – 1<sup>st</sup> 11 Years Girls and 11 Years Girls Champion

Layla – 1<sup>st</sup> 10 Years Girls

Charlie M – 1<sup>st</sup> 8/9 Years Girls and Junior Girls Champion

# HERE & THERE

Many Happy Returns to all March Birthday people, including Max Clear, Brody Lewis, Luke Mikula, Adam Mikula, Anthony Reed, Denise Nichol, Tracy Talker, Neil Armstrong Cathy Reed., Gail Smallman

The Victorian Fire Crews had moved to Bendoc from the Delegate Show Ground because of the preparations for the Show.

During that time the precinct housed between 100 and 200 crew, who from all reports were well satisfied with their accommodation.

The Delegate Campdraft committee, reluctantly decided to cancel this years event, because of a number of factors. The major fires in the area and the prolonged drought made it difficult to source the cattle required.

Following the summer from Hell, which put a stop to many sporting activities in the district, Delegate's night tennis is on again, commencing Tuesday 11th March, and finishing some time in May.

It is pleasing to see the Women's International Day on again at the School of Arts on the 17th March. There will be guest speakers and the usual delicious luncheon. The 17th March is St Patrick's Day and organisers are encouraging guests to wear green or purple.

With the Corona Virus, a respiratory tract infection, causing the ridiculous stockpiling of toilet paper, some wag has decided that it will be the new currency, known as **Buttcoin**.

The local cricket season is drawing to a close and teams are gearing up for the footy season which will commence in April. In the recent cricket semi-final held last week-end at Rotary Oval, Cooma, the home team were the winners defeating Bombala by 4 wickets with overs to spare.

Lots of visitors coming for Easter this year. Gail Smallman is expecting her son and his wife who will be here to celebrate her birthday with her on the 11th. April.

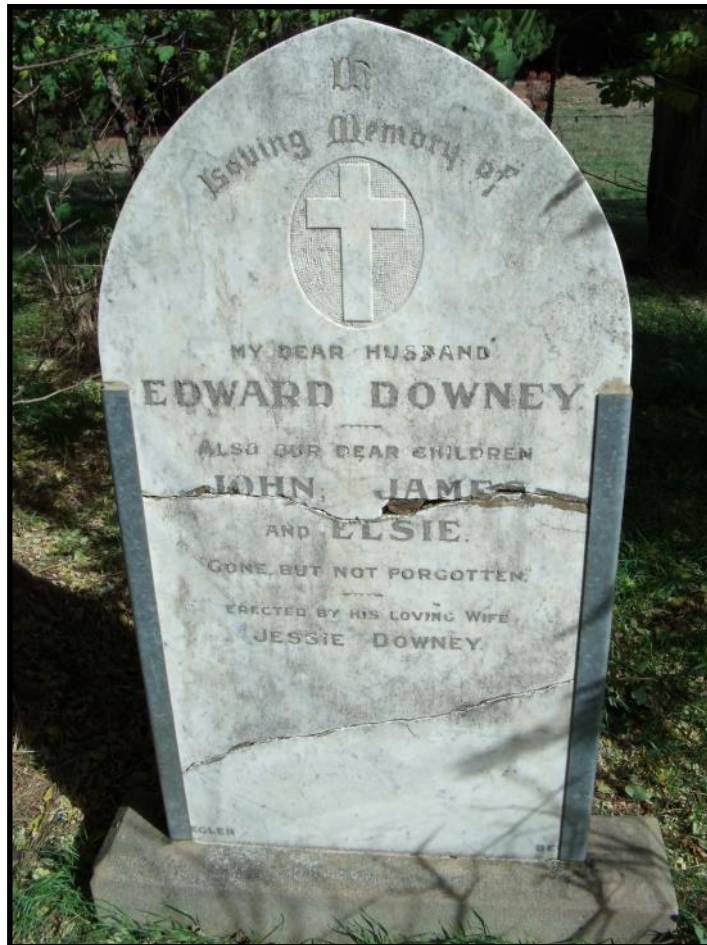

Please remember that the proposed bus service from Delegate to Canberra each Thursday and return is only a trial and needs to be used or they will cancel it. We have asked for an extension of the time frame as during the fires there was no demand. Some of us have decided to have a day in Canberra in early May. You must reserve your seat because there is a change over from Tony Robert's bus at Nimmitabel, to the bus that comes up from the coast. We plan to get out at Canberra Civic and spend the day.

# LOOKING BACK

The original township of Delegate was on the road to Hayden's Bog and located on the property known as "Bendolba." There is an old cemetery there and below is the grave of early pioneer Edward Downey. Below is one added to the site by Edward's great great grandson Darren Downey of Orbost. There is also the remains of a brick chimney, which was probably part of the original Hotel. The Progress Association have contacted the present owners of the property, Snowy Pines who are aware that is a site of historical significance with a view to putting up some sort notice board containing the history of the site.
